

Dear Parents,

We hope you are having a great summer!! We miss our current families and looking forward to meeting our new families.

We will be starting back school, but it will look a little different from our usual school year. Even with the uncertain world around us, we are planning an incredible year for your children. HMMO will be a safe place they will enjoy coming to during this time of uncertainty and will have a wonderful time while they are here. We will strive to make their life feel as normal as possible. As we have all said at one time or another this is such strange and uncharted territory we are experiencing. But, together we will learn and grow and be stronger because of it.

HMMO is planning to open on Tuesday, September 8. I have enclosed the guidelines and protocol for your review. Please read through the guidelines so you will be fully aware and supportive of the requirements.

To follow the recommended guidelines due to Covid 19 we will have smaller classes and more stringent cleaning requirements resulting in the hiring of additional staff. The tuition for the 2020-2021 school year will be increased to cover these additional unexpected expenses. Each child's tuition will be increased by **\$30 per month**.

We understand this is a trying time and every day is a new beginning. Our current policies state that parents are responsible for the tuition after May 31. Because of the unusual circumstances we are experiencing with the Covid-19, we are allowing parents to make a final decision about enrolling their child(ren) at HMMO. If you are uncertain about sending your child(ren) to school due to Covid 19 or the tuition increase, we are extending a release from this responsibility of attending school this year.

Enclosed is an agreement card to sign and return to HMMO letting us know your decision. Please return this card to the HMMO office by Saturday, August 1, 2020. If we do not receive your agreement card by this date, we will assume you will be attending HMMO and you will be responsible for the tuition for the 2020-2021 school year.

If you have any questions about the tuition increase or the guidelines and protocol, please contact the HMMO Director, Julie Crosland, at 601-613-8648.

We are looking forward to a wonderful school year for you and your children.

Sincerely,

HMMO Board
